**Ivan's
Info**

These last few months have been very busy for us but filled with many blessings. We are able to do so through your collaboration and many others as well. We have continued our partnership with *Cross and Crown*, where we continue to serve fifty meals on Wednesday nights. We constantly meet different people and families that are homeless or live in the neighborhood.

I'm pleased to announce that since our last newsletter two of our Eagle residents have reached their 1-year milestone, have been inducted into the Senior Board of Mentors and received their certificate of accomplishment. Congratulations to **Maranda Greenlee & Deanna Thompson!** Both of these ladies showed determination and willingness to change their lives. Though life gave them many ups and downs they managed to pull through. We are excited for them as they move on to a new chapter in their lives. Please continue to pray for them.

We continue to work with women we meet to help them restore their lives and establish a relationship with God. We currently have ladies living in our Choctaw and Del City facilities. This year has been of great encouragement! There were six ladies able to reach the 1-year milestone. With your prayers and support, we will be able to help more.

Our main goal is to help people establish a relationship with God, whether it is through *Eagle Recovery Center* or at *Boulevard*. With great joy, I share with you that **Said Mota** decided to turn his life over to God and be baptized for the forgiveness of his sins. It is amazing to see the excitement and willingness in this

young man to serve our Lord. We ask that you keep him in your prayers so that this young lad can become a great disciple.

Over this fall we expanded in ways we could serve, we decided to provide tutoring to elementary age children. God provided helpers to help with this new mission. We were able to provide tutoring to 23 - 27 children on Wednesday nights.

About Us

Boulevard church of Christ is a family of believers in Jesus Christ who want to be the hands and feet of Jesus in reaching people with messed up lives. We believe Jesus is the great Healer physically, spiritually, emotionally and socially. And we all need to be healed of something.

Eagle Recovery Center is a Christ-centered, structured, sober-living group home for the purpose of empowering women to successfully re-enter society and live victoriously over drugs and alcohol or any other destructive habit. All residents are valued members of the Boulevard church family.

(continued from Ivan's Info)

Our new mission allowed us to not only tutor but minister to children that were part of broken homes. We were able to be there for them emotionally and especially spiritually. At the same time it allowed us to evangelize to the mothers that would bring their children. Some of those families have continued to visit us during our Sunday services. We look forward to starting again our tutoring program this February.

Thank you for your prayers and support. We look forward to letting you know what we as a team are accomplishing for our Lord.
